

## Chemistry Labs

10 Science  
Lava Bottle – Blobs in a bottle,  
Fizznator, Yeastnaction

Sep 14-1:59 PM

## Lab write up:

- Partners or groups of 3
- Each group does one lab report
- Lab report includes;
  1. Title
  2. names: first and last
  3. Dates:
  4. Class:
- Then include:
  1. Hypothesis or statement of what you are doing. Include answers to the change in at least one variable.
  2. Material list
  3. Summary of the procedure
  4. Do the experimnt, the required amount of times to answer all your questions
  5. Make observations, record results, make diagrams
  6. Conclusions, written lab reports, and a class presentation

Sep 14-1:59 PM

## Science Bob Experiments

- <http://www.sciencebob.com/experiments/index.php>
- Fizz n ator
- Yeast n action
- Lava Bottle, Blobs in a bottle

Sep 14-1:59 PM
